

## Science Fiction Research Association, Inc. Application/Renewal Form

The SFRA is the oldest professional organization for the study of science fiction and fantasy across media. The SFRA was founded in 1970 to facilitate research and pedagogy related to science fiction, fantasy, and related speculative genres. Members include scholars, educators, authors artists, editors, publishers, librarians and archivists from across the globe. Academic affiliation is not a requirement.

### SFRA Benefits Include:

- *Extrapolation*. Three issues per volume year. The oldest journal in the field, with critical, historical, and bibliographical articles, book reviews, letters, occasional special topic issues, and an annual index.
- *Science-Fiction Studies*. Three issues per volume year. Includes critical, historical, and bibliographical articles, review articles, reviews, notes, letters, international coverage, and an annual index.
- *SFRA Review*. Four issues per year. Includes extensive book reviews of both non-fiction and fiction, review articles, listings of new and forthcoming books, letters, SFRA internal affairs, calls for papers, works in progress, and an annual index.
- *SFRA Annual Directory*. One per year. Lists members, contact information, and special interests.
